Dear Sir,

Subj: Permission to carry out Underwater Repair/Repairs of vessels in Mumbai Harbour / Dock.

This is reference to your letter No. SEASWIFT/MBPT/010112 dt. 09.09.2012 requesting permission to register your company with Mumbai Port Trust to carry out underwater Repair/Repairs of vessels in Mumbai Harbour/Docks. It is pleased to inform you that the name of your company has been kept on the approved list of companies engaged in underwater Repair/Repairs of vessels in Mumbai Harbour/Docks. However, you have to abide with the following:-

- Specific Permission of the Deputy Commissioner, M.P.T. to be obtained each time any underwater work is undertaken by you.
- Your company, M/S.E.S. shall have a full-time staff of M.P.T. engaged for carrying out jobs in the Dock / Harbour.
- The permission will be granted for underwater jobs involving underwater breaking and hull cleaning and repair of the vessel in the dock basin and harbor walls berth.
- Mumbai Port Trust will not be responsible for any accident or untoward occurrence to your staff, who will be carrying out the underwater jobs on the ship.
- The Mumbai Port Trust will also not be responsible for any damage to the ship that may take place in the course of the underwater work carried out by you.
- Before starting the underwater work of the ship, you should contact the M. Dock Master, Indian Dock / Harbour Master on the same day for an approval letter of the actual period during which the above work will be carried out by you and you should ensure that the completion of the job is done on or before the end of the actual period stated in the letter of the M. Dock Master.
- Before starting the underwater work of the ship, you should contact the M. Dock Master, Indian Dock / Harbour Master on the same day for an approval letter of the actual period during which the above work will be carried out by you and you should ensure that the completion of the job is done on or before the end of the actual period stated in the letter of the M. Dock Master.
